## USC Sea Grant News: August 2015

As we wrap up another summer in sunny SoCal, we look back on a busy few months for our education programs. We also highlight great resources on our [website](#) available to teachers, students, and families as our communities head back to school. A huge THANKS to all our educational program and curricula partners!

### Fun, Sun & Marine Science

This year's summer science camp on Catalina Island was full of smiles, snorkels and ROVs. We've put the best photos into a video slideshow. [Check it out here!](#)

### Next Generation is GLOBAL

USC Sea Grant's Linda Chilton helped lead an international group of students on a two-day marine science field trip as part of the GLOBE Program. [Read the blog.](#)

## Curriculum Spotlight: Island Explorers

These four units of marine science uniquely focus on Southern California and Catalina Island coastal environments. [Learn more...](#)

## Curriculum Spotlight: Sea Level Rise

Targeted for middle and high school students, the lesson includes hands-on activities and opportunities for students to participate in community citizen science efforts. [Learn more...](#)

## K-12 Curricula

Download our educational resources on water quality, tide pools, marine protected areas, kelp forests, AIS, and more... [Learn more...](#)

## New Toolkit for Science Centers:

USC Sea Grant has distributed toolkits on aquatic invasive species that

provide curricula and outreach materials for aquaria and nonformal science centers along the West Coast.  
[Learn more...](#)

## Seven Seas Magazine

USC Sea Grant's publication, *40 Years of Progress in the Urban Ocean*, is featured in a new online travel and marine conservation magazine.
